WHO ARE WE?

We design and build beautiful caravans for real families, just like yours.

Our story here at Trident Caravans is simple. We began as a young, experienced family of caravanners, who have loved every part of the caravan lifestyle.

From a very young age, with our own Mums, Dads and siblings, to now as a family of our own, caravanning has always been our greatest passion.

We have brought this passion to life now with our very designs, featuring some incredibly unique options, utilising only the best possible components from some of the world's leading brands.

If you love the great outdoors and everything our great country has to offer. The Trident caravans are for you.

Whether it's a free camp somewhere remote for the weekend, or spending a week or two at any of the fantastic parks around our amazing country.

We know exactly what a family needs. All of our designs are truly unique and thinking outside the square is what sets us apart from the others.

Building caravans is what we love to do, so other families can enjoy making memories of their own.

Let's experience this magnificent lifestyle across this great country of ours – in a Trident caravan.

WHY BUY A TRIDENT VAN?

If you can think of it, we can build it.

Buying a caravan can be simple, but many people may find it confusing.

With so many options and possibilities, it may prove difficult to know exactly what you need.

We then need to take into account your ideal budget and list of essential caravan items.

As lifelong campers ourselves, we know you just want a home away from home, so we deliver

that just for you.

Colours and look and feel are really important, we know. There's also a standard set of tried and tested equipment that you do need. Trident caravans will deliver on your requirements.

Cant Wait Over 12 months to receive your new van?

Ask us about our expedited delivery process.

Hi My name is David and I am happy and proud to be able to offer from our Family – to your Family, what we believe to be the most functional, stylish and affordable range of Family Caravans in Australia. We invite you to come and see a Trident Caravan for yourself OR if you like, we can come to you!

UNIQUE FEATURES

Totally off grid, on grid, glam, family friendly, we've got you covered.
Better yet, we sleep 5 or 6, for your growing family.

Choose from our comprehensive range of floor plans and designs across our main model range:

The Platinum | The Titan | The Palladium

Unique 6 x Berth Designs!

Did you know that Trident are one of the few manufacturers that can offer you true Family style accommodation, sleeping up to 6 with our 4 Bunk designs.

Be up and running in no time.

Forget hours for campsite setup. Everything you need is neatly built into your Trident Caravan for fast, efficient camp site setup.

With latest colors and European inspired color palettes and designs.

Your Trident Caravan will be the stand out Van for quality, style and finish, like no other! With our vast range of colors, fabrics, floor coverings and finishes throughout, ask us about your personal requirements in your new Van design.
